

| Product Fiche                                                                             |                       |
|-------------------------------------------------------------------------------------------|-----------------------|
| Commission Delegated Regulation (EU) 2015/1186<br>Energy Labelling of Local Space Heaters |                       |
| Supplier's Name or Trademark:                                                             | Newman Fireplaces Ltd |
| Suppliers Model Identifier:                                                               | Windermere 5 SE       |
| Energy Efficiency Class of Model:                                                         | A+                    |
| Nominal Heat Output to Room (kW):                                                         | 5.0                   |
| Nominal Heat Output to Water (kW):                                                        | n/a                   |
| Net Efficiency (%):                                                                       | 81.3                  |
| Energy Efficiency Index (%):                                                              | 107                   |
